United Way of  
Lebanon County, Inc.

Summer 2010

Dear member of the Lebanon County community:

The **Jefferson Awards** recognize the countless private individuals who are performing extraordinary public services in their local communities. Some are paid; others are volunteers; most are unrecognized.

For the 17th year, the United Ways in south-central Pennsylvania are assisting WGAL and PSECU with the Jefferson Awards program. The United Way of Lebanon County is pleased to be one of six local United Ways partnering to generate nominations for these awards.

**One of the six Jefferson Award winners will be selected from applications received from Lebanon County if there are a minimum of 10 nominations from Lebanon County.**

Enclosed/attached is the Official Nomination Form describing how people can be nominated for the 2011 Jefferson Awards. Please consider nominating a worthy individual(s) and/or circulating this letter and form to other people who may be interested in submitting nominations. You may make copies of and/or forward the materials, as necessary. Individuals nominated in the past for a Jefferson Award may be nominated again.

**Note that nominations must be submitted to WGAL and postmarked by Friday, August 20, 2010.** Six winners will be selected and all the nominees will be honored at the awards banquet at the Sheraton Harrisburg/Hershey on Thursday, October 28, 2010.

Each participating United Way also provides a judge for selecting the award winners. Phil Hess, CEO of Philhaven and a United Way of Lebanon County Board Member, will serve as the judge from Lebanon County this year.

Make plans to nominate a worthy individual for the Jefferson Awards today. If you have any questions, please get in touch with Mark Hoffman at United Way, (717) 273-8144, or via e-mail: [mhoffman@unitedwaylebc.org](mailto:mhoffman@unitedwaylebc.org). Copies of this cover letter and the Official Nomination Form also are available at [www.unitedwaylebc.org](http://www.unitedwaylebc.org) and the United Way office.

Thank you!

Sincerely,

Mark W. Hoffman
