What's Raised Here, Stays Here

Every dollar counts. When the people and businesses of Lebanon County come together, the impact on our local communities is multiplied. Your gift is combined with that of others to address the complex challenges that we and our neighbors face.

At United Way, our programs and investments connect families to community resources, remove barriers to learning for our most vulnerable children, and give all local children a strong start in life.

With your gift, local children and families are able to receive the support and education they need. Give generously to support our neighbors today, while building a stronger future for us all in Lebanon County.

Your contributions to the Annual Community Giving Campaign enable the United Way of Lebanon County to fund our Signature Service Programs and annually award Community Impact Grants to local non-profit organizations.
