

## **Safety Net Grant FAQ's – 2020-2021**

### **Who can apply?**

See eligibility requirements

### **Who do I contact for questions?**

Brooke Smith, CEO, [bsmith@unitedwaylebc.org](mailto:bsmith@unitedwaylebc.org) or 717-273-8144

### **When are the final applications due?**

Applications and all requested supporting documentation must be uploaded by 1/24/20 by midnight

### **When and how will funding decisions be shared?**

Each applicant will receive a funding decision letter by 3/31/20

### **What is the maximum funding amount per award granted?**

Max funding amount is \$20,000 per award

### **What is the term of funding?**

These are one-year grants that will be disbursed 1/12 each month starting July 2020-June2021

### **Can individual organizations apply or do organizations need to apply collaboratively?**

Individual organizations can apply for this round of safety net grants; however this will be the last year for individual program requests. All future requests will need to be part of a collaborative project aligned with one or more of United Way's Community Goals.

### **What are the requirements of organizations who received a safety-net grant?**

See sample MOU

### **If our organization receives United Way funding through a collective impact grant, can I apply for safety net funding?**

Yes, eligible organizations can apply for funding through various grant opportunities from United Way

### **Reporting out requirements**

See sample MOU – funded partners will be required to complete a 6 month and 12 month review that will include reporting out on outputs and outcomes identified in logic model, narrative questions, and the request for an impact story.
